

Omar Emad

Backend Developer | Competitive Programmer

Cairo, Egypt | 01553438883 | theomaremad@gmail.com

[linkedin.com/in/dev-omar-emad](#) | [github.com/0mar-Emad](#) | [Codeforces](#)

PROFESSIONAL SUMMARY

Detail-oriented **Backend Developer** and Computer Science student with expertise in designing efficient algorithms and backend systems using **Java**. Proficient in **Clean Architecture**, **Spring Boot**, **REST APIs**, and **Database Management**. Effective problem solver experienced in delivering optimized solutions under tight constraints with dynamic approaches in high-pressure programming contests.

TECHNICAL SKILLS

Backend & Databases: Spring Boot, Hibernate, Thymeleaf, MySQL.

Concepts & Architecture: Clean Architecture, REST APIs, JSON, OOP, DSA, Databases.

Tools & Version Control: Git, Github, Linux, Docker, Maven, Postman, VS Code.

COMPETITIVE PROGRAMMING & ACHIEVEMENTS

Algorithmic Problem Solving | *Codeforces, AtCoder, LeetCode*

- Successfully solved over **1000+** algorithmic problems and achieved a **1300+** rating on Codeforces, focusing on time complexity and efficiency.
- Consistently implemented optimized and complex mathematical solutions with **C++** utilizing advanced data structures, algorithms and dynamic programming.

Collegiate Programming Contests

- Competed in the **Egyptian Collegiate Programming Contest (ECPC)**, demonstrating strong teamwork and high-pressure problem-solving capabilities. Aug. 2024
- Actively training for the **Africa and Arab Collegiate Programming Championship (ACPC)**.

EDUCATION

El Shorouk Academy

Bachelor's Degree in Computer Science.

Sept. 2023 – Sept. 2027 (Expected)

Cairo, Egypt

CERTIFICATIONS

Spring Boot 4, Spring 7 & Hibernate | *Udemy*

Aug. 2025

- covering Spring Core, Spring REST, Spring Security, JPA, Hibernate, Spring MVC, and MySQL integration.

SOFT SKILLS & LANGUAGES

Soft Skills: Advanced Problem Solving, Effective Communication, Adaptability, Team Coordination, Continuous Learning, Algorithmic Thinking.

Languages: Arabic (Native), English (Advanced).
